Legislative Bldg, Rm. 281  
Queen's Park

Dear Premier Wynne:

**Re: Ontario Imagery Strategy**

Please be advised that the Council of the Corporation of the County of Huron passed the following motion at the Sixth Session of Council on 4 May, 2016:

MOTION: #115-16

Moved by: Councillor Frayne and Seconded by: Councillor Hessel

THAT:

The Council of the County of Huron supports the following motion from the Municipality of Bluewater:

Whereas Ontario's growing and aging population is putting an increasing strain on our publicly-funded health care system;

And Whereas since February 2015, the Ontario government has made an almost 7% unilateral cut to physician services expenditures which cover all the care doctors provide to patients – including cuts to programs which are specifically designed to act as incentives for physicians to practice in rural areas;

And Whereas the decisions Ontario makes today will impact patients' access to quality care in the years to come and these cuts will threaten access to the quality, patient-focused care Ontarians need and expect;

And Whereas Ontario is experiencing a growing rural population as retirees move to the countryside;

And Whereas many rural municipalities in Ontario have formed physician recruitment and retention committees and strategies to deal with the reality of physician retirements and shortages;

And Whereas rural areas in Ontario are already at a distinct disadvantage in recruiting family physicians due to a number of factors;
