Hello, I would like to lend my support to the group seeking to change the current bylaw regarding Sunday gun hunting. Hunting is a heritage sport which should be allowed to be enjoyed, all weekend long, while abiding by the Ontario hunting regulations. This sport is a cost effective way for pest and varmint control, If one considers the costs associated to such things as; future management of coyote populations. A logical way to keep to those costs being past on to the ratepayers.

Thank you
Jonathan Faulkner
