Concept 4 - Staff Preferred

Legend

NEW PARKING LOT

New and expanded parking lot configuration yields approx. 99 regular spaces, plus 3 accessible.

Emergency vehicle access and vehicular drop-off.

Vegetated median with signage creates a welcoming entrance and cooler environment.

B EVENTS FIELD

Accommodates Tuff Truck event, demolition derby, horse and tractor pulls, etc.

Contained by temporary fencing that can be opened for vehicular access and trailer parking.

C BASEBALL DIAMOND

Existing field and structure configuration.

Outfield can also accommodate carnival games and other activities.

MULTI-SPORT COURT

Accommodates basketball and tennis.

Can accommodate other games such as four square, hop-scotch, etc.

■ NEW PLAZA & PAVILION BUILDING

A new pavilion building can feature a washroom, concession and attached covered seating to conveniently service sporting events and gatherings.

MARKET LAWN

New turf area to accept vendor tents for markets, a car show, etc., with convenient access to the parking lot.

G OPEN LAWN

This large flexible turf space extends beyond the outfield of the baseball diamond.

To remain open for passive use, or a staging area for events and activities, such as car shows, cow shows, picnic tables, etc.

WALKING PATH

Formal walking paths circulate throughout the site in a closed loop for increased educational opportunities (interpretive signage). Wide enough to accommodate one-way vehicle circulation and regulated by removable bollards to be accessed when needed during special events.

■ JR. SOCCER PITCH

The junior soccer pitch can accommodate under 8-10 games. Planted trees provide shade to observers and teams on hot summer days.

NEW PEDESTRIAN BRIDGE

A new pedestrian bridge creates a safe link the adjacent pool and playground and frames the view of the neighbouring church and town. Creates opportunity to connect to Harriston Greenway Trail.
