

Hello Minto Township Counselor,

My name is Hannah Senitt, I am the Coordinator of Volunteer Services for Family and Children Services of Guelph and Wellington County (FCSGW). I'm working towards recruiting volunteers from your area to be part of our caring community as drivers, family support volunteers and mentors.

Our volunteer program provides meaningful opportunities for individuals to directly impact the lives of the children, youth and families that we serve. Mentors and Family Support volunteers work one-on-one, providing connection to community and helping to reduce isolation. Currently our greatest need is Volunteer Drivers. Support from Volunteer Drivers helps reduce barriers to safe and reliable transportation for those we serve by supporting access to family visits, appointments & activities.

We are hosting an online information session on April 16<sup>th</sup> from 2-3pm. This is an opportunity to learn more about volunteering with FCSGW and our onboarding process. This session is open to everyone in the community.

At FCSGW, we are dedicated to building a workforce that reflects the diversity of the community in which we live and serve. We encourage applications from members of equity deserving groups and/or with lived experience.

Please help us get the word out by sharing this email and attached poster with your network.

We appreciate your support!

With thanks,

Hannah
