INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Town of Minto.

I have audited the accompanying consolidated financial statements of the Corporation of the Town of Minto, which comprise the consolidated statement of financial position as at December 31, 2015 and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these consolidated financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

I believe that the audit evidence I have obtained in my audit is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Town of Minto as at December 31, 2015 and the results of its operations, changes in net financial assets, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

THE CORPORATION OF THE TOWN OF MINTO
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of The Corporation of the Town of Minto are the representation and responsibility of management prepared in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board of Chartered Professional Accountants of Canada. Significant accounting policies adopted by the Corporation of the Town of Minto are as follows:

(a) Basis of Consolidation

(i) Consolidated Entities

These consolidated financial statements reflect the assets, liabilities, sources of financing and expenditures including the revenue fund, capital fund, reserve funds and reserves including the activities of all committees of Council and the following boards, municipal enterprises and utilities which are under the control of Council:

Minto Cemetery

Minto Waterworks Department

Minto Sewer Department

All interfund assets and liabilities and sources of financing and expenditures have been eliminated.

(ii) Accounting for County School Board Transactions

The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Wellington are not reflected in the municipal fund balances of these financial statements.

(iii) Trust Funds

Trust funds and their related operations administered by the Town are not consolidated but are reported separately on the "Trust Funds Statement of Continuity and Financial Position".

(b) Basis of Accounting

(i) Sources of Financing

Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of interest charges on the long term liabilities which are charged against operations in the periods in which they are paid.

(ii) Accrual Basis of Accounting

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

THE CORPORATION OF THE TOWN OF MINTO
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

(iii) Investments

Investments are recorded at book value. When there has been a loss in value that is other than a temporary decline in value, the respective investment is written down to recognize the loss. Discounts and premiums arising on the purchase of bonds and debentures are amortized over the term of the investments.

(iv) Deferred Revenue

In accordance with PSAB requirements, obligatory reserve funds are reported as a component of deferred revenue. The Town has obligatory reserve funds in the amount of \$610,442 (2014 - \$410,902). These funds have been set aside, as required by legislation. Revenue recognition occurs after the funds have been collected and when the Town has incurred the qualifying expenditures.

Deferred revenue is as follows:

	<u>2015</u>	<u>2014</u>
Development charges	\$ 358,752	\$ 311,865
Federal Gasoline tax	<u>251,690</u>	<u>99,037</u>
	<u>\$ 610,442</u>	<u>\$ 410,902</u>
	=====	=====

(v) Government Transfers

Government transfers are recognized in the financial statements as revenue in the period in which the events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amounts can be made.

(vi) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period.

In addition, the Town's implementation of the Public Sector Accounting Handbook Section 3150 has required management to make estimates of historical cost and useful lives of tangible capital assets.

Actual results could differ from these estimates.

(vii) Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and short term highly liquid investments that are readily convertible into cash.

THE CORPORATION OF THE TOWN OF MINTO
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

(c) Non-financial Assets

Non-financial assets are not normally available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess revenues over expenses, provides the consolidated change in net financial assets for the year.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their useful lives as follows:

<u>Category</u>	<u>Sub Category</u>	<u>Component</u>	<u>Estimated Useful Life</u>
Land	Not Applicable	Not Applicable	N/A

Works of art and cultural and historic assets are not recorded as assets in these financial statements

(iv) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership or property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

(v) Inventories and Prepaid Expenses

Inventories held for consumption are recorded at the lower of cost and replacement cost.

Prepaid expenses relate to expenditures incurred in the current period which relate to and will be expenses in a future fiscal period.

Under PS 3260, contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Town of Minto.

I have audited the statement of financial position of the trust funds of the Corporation of the Town of Minto as at December 31, 2015 and the statement of continuity of trust funds for the year then ended. These financial statements are the responsibility of the Town's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the trust funds of the Town as at December 31, 2015 and the continuity of trust funds for the year then ended in accordance with the accounting principles disclosed in note 1 to the financial statements.
