Good afternoon,

I realized that I have signed a petition going to the Town of Minto regarding crosswalks and banners without fully understanding the intentions and implications of the petition. I did not intend to support any request or suggestion that the Town of Minto not continue to support LGBTQ2+ initiatives, such as the pride crosswalk or banners. I believe in and support the efforts by the town and any other associated groups to make Minto a more inclusive and welcoming place for everyone.

I would like to ask that you disregard my signature on the petition.

Thank you,

Doug Anderson
