In the event of such assignment or upon the Purchaser's transfer of the Property, the Purchaser's rights, interests, liabilities and obligations hereunder is released and discharged from any and all liabilities and obligations arising under and pursuant to this Agreement.

- a) The Purchaser covenants and agrees to install and pay for such installation, at the time of construction of a building on the Property, a sewage pumping, backflow prevention and isolation system to convey sewage from the building on the Property to the municipally owned sanitary sewer system. The Purchaser agrees to provide unimpeded and ongoing access to the system if required by the Town. Such system and appurtenances shall be subject to the approval of the Town's engineer or designate at the time of site plan approval in his or her sole discretion. The parties agree that the Purchaser's covenants and agreements contained herein shall survive and not merge on the completion of this transaction.
- b) The Purchaser covenants and agrees to install and pay for any future gravity sanitary connection from building(s) located on the Property that requires a sanitary service connection across the subject Property to the sanitary sewer main located within the Minto Road road allowance, at the time that the Property has access to a Municipal gravity Sanitary Sewer system.
