RE: **Winter Maintenance**

Dear Mayor Bridge

Once again I am writing to inquire as to whether your municipal staff would agree to maintain our WR2 and WR3 from November 19, 2016 or whenever winter maintenance have commenced up to and including March 24, 2017 or until such time as winter operation have ended..

The winter maintenance would include plowing, sanding, and routine patrolling such as necessary to protect the motoring public. It would not include sign repair, pothole patching or wash outs but we would expect to be notified when these deficiencies are encountered. I offer the following compensation of \$7,500/km for the 2015/2016 winter season.

In addition if the 2016-17 seasonal cost exceeds the proposed compensation I will cover those extra costs.

If this arrangement is acceptable please let me know so that our routes can be confirmed.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J Paul Johnson', followed by a horizontal line.
