- 4. Introduction and Purpose of the Meeting

The Court of Revision hears appeals on the portion of the cost of a proposed drainage work to be collected, as taxes, from the landowner. To appeal to the Court of Revision, a landowner assessed for drainage works must give a written notice of appeal to the Clerk of the initiating municipality at least ten days before the first sitting of the Court. The notice must state which land is assessed too high or too low or which land has not had proper consideration of its use. No written appeals received

If a notice of appeal is late, but presented prior to the first sitting of the Court, the Court may hear the appeal provided it passes a resolution to accept late appeals. The Court can proceed only if it gives notice to all persons who might be interested.

Notices were mailed on or before October 19, 2016. A decision of the Court of Revision can be appealed to the Ontario Drainage Tribunal.
