

Budget Book Studio

Effortlessly create, publish, and share your budget book online.

Streamlined Budget Books

Euna Budget's all-in-one editor simplifies the budget book publishing process, allowing finance professionals like you to create, publish, update, and share digital budget books with their community.

Meeting GFOA Award Criteria Has Never Been Easier

Our tool ensures your budget is clear, structured for excellence, and positions your agency for recognition and public confidence.

Read the Budget Book However You Want

Whether in print, online, on a mobile, or on a tablet, this flexibility ensures everyone can easily access and understand budget allocations.

Focus on Strategy with Advanced Automation

Advanced automation features reduce time spent on manual updates, allowing more focus on valuable strategic planning.

Keep Your Book Up-To-Date and Relevant

Turnkey integration with Euna Budget allows for seamless updates, ensuring your budget remains accurate and current, even after publication.

Why It's Time to Take Your Budget Book Online

Ease of Use

Allows stakeholders and the public to access budget information anytime, anywhere, facilitating broader reach and engagement.

Increased Transparency

Makes detailed budget information readily available to the public, promoting accountability.

Accessibility

Meets accessibility standards, ensuring everyone in your community can access the budget book.

Real-Time Updates

Keeps the budget book up-to-date with the latest information, reducing errors and ensuring all stakeholders have the most current data.

Interactive Features

Includes clickable charts, expandable sections, and search functions, making the budget book more engaging and easier to navigate.

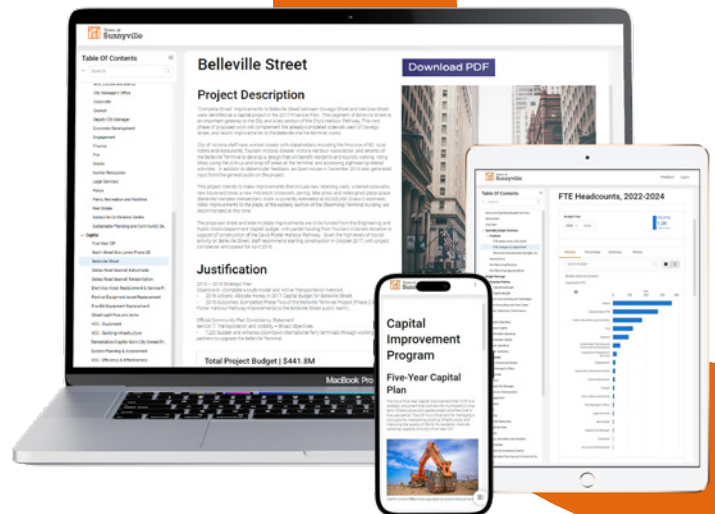

Beyond Budget Book

At its core, Budget Book Studio is a financial document publishing tool. Use it to create various documents, including budget books, strategic plans, and ACFRs (coming soon!).

Print-Ready Budget Books

Whether in print, online, on mobile, or on a tablet, let your community access the budget book their way. Our focus on easy access leads to clarity on government spending, fostering greater civic engagement.

- Generate industry-leading, print-ready PDF books instantly
- Mobile-friendly
- Easily share the entire book or specific sections

Comprehensive Training and Support Provided

Receive ongoing support as you create digital budget book. Our budget experts provide dedicated training and collaboration to ensure a smooth process for your team every step of the way.
