

Dear Interested Canadian,

Let's Save our Heritage Infrastructure – Contact Your MP to Support Bill C-323

As the Official Opposition Critic for Canadian Heritage and National Historic Sites, I introduced a Private Member's Bill to create a tax credit for restoration of historic places. Bill C-323 creates a 20% tax credit for rehabilitation work done on designated heritage buildings. It also creates a three year accelerated write-off period for spending on these buildings.

Built heritage creates cultural value for our communities. It enriches our lives and connects us to our history. Currently, Canada has no policy to help those who spend heavily on this public benefit. With the 150th anniversary of Confederation fast approaching, the adoption of this policy is appropriate.

I am asking for your support to get this important legislation passed so that our cultural heritage may be preserved and saved for generations to come.

You can help get Bill C-323 passed by contacting your MP to vote for Bill C-323.

This proposal will help re-connect us to our history and culture. I look forward to working to preserve our built heritage, with your support. Please find enclosed an information package about the details of Bill C-323.

Thank you,

Hon. Peter Van Loan, MP
Official Opposition Critic for Canadian Heritage and National Historic Sites
Member of Parliament for York-Simcoe
