"We see the **hope** and **potential** in every young person"

April 11, 2017

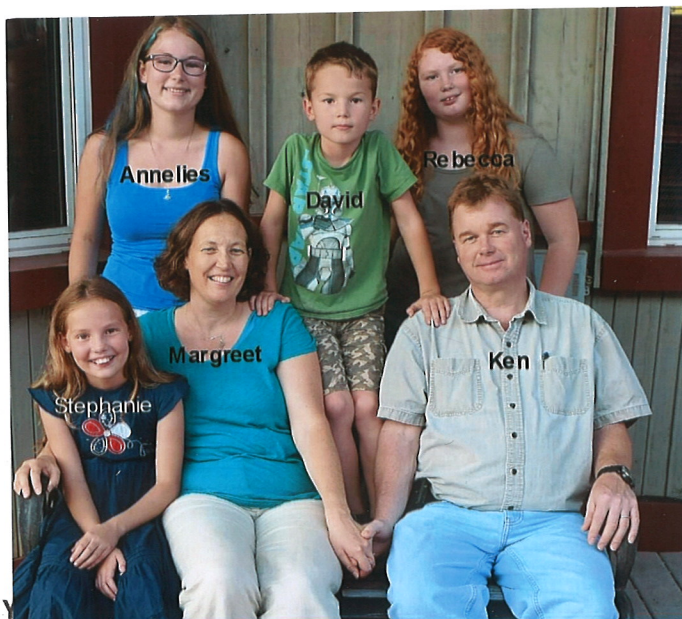

Dear *Council of the Town of Minto*:

Thanks so much for the generous support of *YFC/Youth Unlimited of Minto*. This will certainly help towards our shared goal of having a community that provides for and cares about our youth. Through the programs that *YFC/YU of Minto* offers and the many programs for youth offered throughout Minto, we are making a difference in the lives of our youth. We are grateful that the *Council of the Town of Minto* appreciates this as well.

Thanks again,

Ken Mohle  
for Minto YFC/Youth Unlimited
