

The Corporation of the Town of Minto
By-law No. 2017-70

For the purpose of amending By-law 2017-25, a Bylaw to
regulate collection and treatment of sanitary sewage and
storm water in the Town of Minto

WHEREAS The Corporation of the Town of Minto (the “Town” or the “municipality”) operates water production, treatment, storage and distribution systems and systems for the collection and treatment of sewage;

AND WHEREAS under Section 11 of the Municipal Act, 2001 (the “Act”) the Town may pass by-laws within the “Public Utilities” sphere of jurisdiction which includes sewage treatment, collection of sanitary sewage;

AND WHEREAS subsection 9 (3) of the Act provides that a by-law under Section 11 respecting a matter may “regulate or prohibit respecting the matter” and “require persons to do things respecting the matter”;

AND WHEREAS Part III of the Act (Specific Municipal Powers) under the heading “Public Utilities” contains specific powers and provisions with respect to such systems;

AND WHEREAS Part XIV of the Act (Enforcement) provides that the Town may pass By-laws providing that any person who contravenes a by-law passed under the Act is guilty of an offence, and contains other enforcement provisions;

AND WHEREAS the Council of the Corporation of the Town of Minto deems it necessary and expedient to amend By-law 2017-25 a By-law to regulate collection and treatment of sanitary sewage and storm water in the Town of Minto;

NOW THEREFORE Council of The Corporation of the Town of Minto enacts as follows:

1. That Section 8.2.7 be deleted and replaced with the following:

8.2.7 Where an oil interceptor installed to the requirements of the Town is not properly maintained, the Town may require an alarmed monitoring device to be installed at the owner’s sole cost and expense. Failure to install an alarmed monitoring device when required by the Town to do so shall constitute an offence under this bylaw.

2. That Section 8.6.4 be deleted and replaced with the following:

8.6.4 No person shall operate from a premise from which dental amalgam may be discharged unless a waste amalgam separator is installed and properly maintained in good working order and in accordance with manufacturer’s recommendations.

3. This By-law shall come into full force and effect upon final passing thereof.

Read a first, second, third and finally passed in open Council this 5th day of September, 2017
