Dear Sir:

The Quotations received were as follows:

<u>CONTRACTOR</u>		<u>TENDER PRICE</u>

FINNBILT GENERAL CONTRACTING LIMITED	STRATFORD	\$ 292,047.37
H2ONTARIO INC.	NEW HAMBURG	\$ 306,230.00

The Quotations received have been checked for errors and omissions with no arithmetical errors.

We recommend that the contract be awarded to Xterra Construction Inc. in the amount of \$288,760.15. This includes a Contingency Allowance for \$15,000.00 and a \$5,000.00 Hydro Allowance. The Quotation also includes 13% HST. Xterra Construction Inc. is well experienced in performing Municipal projects. They have been in business since 2003.

Due to market conditions and increased scope of work, the costs for the proposed project have increased significantly. We can review cost reduction measures which may reduce the overall costs about 15 to 20 percent. These cost reductions could be negotiated with the low bidder prior to awarding the contract.

Attached for your information is a cost breakdown for the project based on the Quotation prices submitted by Xterra Construction Inc.

We trust that this information is satisfactory for your present requirements and should you have any questions, please do not hesitate to contact the undersigned.

Yours very truly,
