

THIS AGREEMENT MADE IN TRIPLICATE THIS 4th DAY OF MAY, 2018.

BETWEEN:

THE CORPORATION OF THE TOWN OF MINTO,

hereinafter called the "Town" of the First Part,

-and-

QUALITY DEVELOPMENTS INC.

hereinafter called the "Owner" of the Second Part.

SITE PLAN AGREEMENT

- WHEREAS the Owner represents to be the registered owner of those lands in the Town of Minto, County of Wellington, described in Schedule "A" attached hereto and the Owner represents to have signing authority with respect to the said lands and the development described by Schedule "B";*
- AND WHEREAS the parties hereto agree that the lands affected by this Agreement are as set out in Schedule "A" attached hereto;*
- AND WHEREAS the Town has enacted a Site Plan Control Area By-law pursuant to the provisions of Section 41 of The Planning Act, 1990;*
- AND WHEREAS the Owner applied to the Town for Site plan approval in respect to its development of the lands described in Schedule "A";*
- AND WHEREAS the Town approved the Plans and Drawings submitted with an application for site plan approval subject to certain conditions on the 19th Day of December, 2017.*
- AND WHEREAS the Town provided approval of the Owner's Application subject to the Owner entering into an Agreement as permitted by subsection 41(7) of the Planning Act, R.S.O.1990 c.P.13;*
- AND WHEREAS the covenants in this Agreement are binding upon the Owner and when registered on title are binding upon all successors in title;*

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of the approval of plans by the Town for the development of the subject lands and the sum of ONE (\$1.00) DOLLAR, the receipt of which hereby admitted, the Owner hereby agrees with the Town as follows:

PART A - GENERAL PROVISIONS

1. The parties to this Agreement hereby agree that:
- i) the Owner as herein stated is the registered owner of the lands described in Schedule "A" to this Agreement; and
 - ii) the lands affected by this Agreement are as described in Schedule "A" to this Agreement, hereinafter called the "subject lands"; and
 - iii) this Agreement shall apply to and be binding upon all successors in title to the Owner.

2. The Owner for himself/herself and all successors in title hereby releases the Town, its servants, agents and contractors from any and all liability in respect of the proper maintenance and operation of the matters and facilities required by this Agreement and shall indemnify the Town in respect of any loss or damage to any person or property entering the "subject lands" under the terms of this Agreement.
3. The Owner consents to the Town at its sole expense and discretion to register this Agreement in the Registry Office for the County of Wellington against the "subject lands".
4. The Owner will at all times indemnify and save harmless the Town of and from all loss, costs and damages which the Town may suffer, be at or be put to, for or by reason of, or on account of the construction, maintenance or existence of pavements, curbs, plantings and other improvements upon the untravelled portions of road allowances where the same are required by this Agreement to be provided by or at the expense of the Owner and such indemnity shall constitute a first lien and charge upon the "subject lands".
5. The Parties covenant and agree with each other not to call into question or challenge, directly or indirectly, in any proceeding or action in Court, or before any Administrative Tribunal, the Parties' right to enter and enforce this Agreement. The Law of Contract applies to this Agreement and the Parties are entitled to all remedies arising from it, notwithstanding any provision in section 41 of the Planning Act interpreted to the contrary. The Parties agree that adequate consideration has flowed from each Party to the other and they are not severable. This provision may be pleaded by either Party in any action or proceeding as an estoppel of any denial of such right.
6. The Town's C.A.O. Clerk or designate at his/her sole discretion may agree to minor variations to provisions of this Agreement, and such minor variations shall not constitute an amendment to this Agreement.
7. The clauses of this Agreement are independent and severable and the striking down or invalidation of any one or more of the clauses does not invalidate all or any of the remaining clauses.
8. Nothing in this Agreement shall relieve the Owner from complying with all applicable municipal by-laws and requirements, including the requirement for building permits.
 - (i) Building Permits: The Owner covenants and agrees that neither it nor any person under its authority shall be entitled to the issuance of one or more building permits to construct any buildings or structures contemplated under this Agreement until this Agreement has been fully executed and registered on title to the subject lands.
 - (ii) Occupancy: The Owner covenants and agrees not to permit occupancy of any building or part thereof for which building permits have been issued until sufficient required works under this agreement have been completed in accordance with the requirements of the Ontario Building Code, the Zoning By-law and any other municipal By-laws, including testing and approval of the internal water distribution and sanitary sewer collection to ensure operation in accordance with conditions established by the Town.
 - (iii) In the event that a building or part thereof is occupied otherwise and in accordance with the provisions of clause 8(ii), the Owner covenants and agrees that the Town shall be entitled to obtain an Order from a Court of competent jurisdiction prohibiting the occupancy of any building or part thereof until such time as the terms of this Agreement have been fully complied with, and the

Owner shall be estopped from opposing such Application on the part of the Town.

9. The Owner hereby grants to the Town, its servants, agents, and contractors a license to enter the "subject lands" for the purpose of inspection of the works and the "subject lands" or for any other purpose pursuant to the rights of the Town under this Agreement.

PART B - SITE DEVELOPMENT AND MAINTENANCE PROVISIONS

10. The Owner agrees to undertake development of the "subject lands", at his/her sole expense, in conformity with the site plan described in Schedule "B" attached hereto, which shall hereinafter be referred to as the "approved site plan".

The Owner covenants and agrees that no work shall be undertaken or performed on the subject lands except in accordance with the terms of this Agreement (including the Schedules attached hereto), the approved Site Plan, and all other plans and specifications submitted to and accepted by the Town, and by such other agencies or approval authorities as may be applicable including, without limiting the generality of the foregoing, the County of Wellington and the applicable Conservation Authority.

11. The Owner agrees to provide, install or otherwise abide by, at his/her sole expense, the "site development requirements" as detailed in Schedule "C" attached hereto.

12. (a) Upon completion of the development of the "subject lands" in conformity with the provisions of this Agreement, the Town shall issue a "Certificate of Compliance".

- (b) "Certificate of Compliance" shall mean a statement of the Town as to the substantial completion of the works, matters and facilities required by this Agreement and shall not be deemed to certify compliance with any other municipal requirements, regulations, or by-laws, and the Town shall not be estopped from pursuing any or all of its rights to enforce the continuing obligations of the Owner under this Agreement or to enforce any other of the Town's requirements, regulations or by-laws which relate to the "subject lands".

13. (a) Unless otherwise agreed to by the Town, prior to obtaining a building permit or proceeding with any work in support of the approved development, the Owner agrees to provide a security (hereinafter called the "security") to the Town in the amount as detailed in Schedule "C" attached hereto by way of cash or a letter of credit in a form acceptable to the Town (see Schedule "E" to this Agreement for sample letter of credit) which shall have an initial expiry date no sooner than the date as detailed in Schedule "C" hereof, to ensure the provision of all matters and facilities required pursuant to this Agreement and other applicable municipal requirements within the prescribed time period, and such security shall be refunded to the Owner without interest upon issuance of a "certificate of compliance", unless the Town exercises its rights under clauses 14 or 15 of Part "B" of this Agreement, in which case the "security" shall be drawn upon by the Town to the extent necessary to secure conformity with this agreement.

- (b) In accordance with the standard policies of the Town, the Owner agrees to pay the cost of those works described in Schedule "D" attached hereto, which are works to be done by the Town, or its contractors.

14. (a) Where the Owner is required by this Agreement to do work and where such work is not done within the prescribed time period, or where the facilities and matters required by this Agreement are not so provided, maintained or used by the Owner in accordance with this Agreement, or where the Owner does not otherwise abide by the requirements of this

Agreement including clause 8(ii), the "security" may be drawn on by the Town to the extent necessary to ensure compliance with this agreement, and a "certificate of compliance" shall not be issued until such matters have been brought into conformity with this Agreement.

- (b) The Owner agrees that in default of any required work being completed within the prescribed time period, or failure to provide, retain, maintain, repair or use those matters and facilities required by this Agreement, or otherwise abide by the requirements of this Agreement, the Town, its servants, agents, and contractors shall have the right after thirty (30) days of the mailing of a notice to the Owner at the address as detailed in the last revised assessment role, to enter the "subject lands" to complete such works required by this Agreement as the Town deems necessary at its sole discretion, and all expenses incurred by the Town in doing such work shall become a charge against the "subject lands", and may be recovered by Court Action and with the same priority as municipal taxes.
 - (c) The Owner agrees that the Town shall not be liable to compensate the Owner, occupant, or any other person having an interest in the property, by reason of anything done by or on behalf of the Town under the provisions of this Agreement.
- 15. The Owner agrees that the "security" may be used to rebuild or repair any public facilities damaged or altered during development of the "subject lands". The Owner acknowledges that this provision does not relieve the Owner of the responsibility to repair or rebuild any public facilities damaged or altered during development of the "subject lands" to the requirements of the Town's Public Works Director and the Owner shall pay all costs of such reconstruction or repair.
- 16. The Owner hereby acknowledges that failure to complete all required works within the specified time period shall mean a "certificate of compliance" will not be issued until such work necessary to complete the development is done, and that until a "certificate of compliance" has been issued, in the event that the prescribed time period has lapsed, the Town has the right to refuse issuance of any permit necessary to carry out any additional work on the "subject lands".
- 17. All maintenance and repair of facilities and matters required by this Agreement shall be done by the Owner from time to time at his sole risk and expense and the Owner agrees the "subject lands" will not be used in any manner which will impede or prohibit performance of the maintenance provided for in this Agreement.
- 18. The Owner agrees to maintain in good repair and at his sole expense the "subject lands" in conformity with the provisions of the approved site plan described by Schedule "B" and with Schedule "C" (site development requirements), and all other requirements pursuant to this Agreement, and all repair or maintenance shall conform with the requirements of this Agreement as it applied to the original development.
- 19. The Owner agrees that all vaults, containers, collection bins and other facilities which may be required for the storage of garbage and other waste material shall be kept within a completely enclosed building or a completely enclosed container in a location acceptable to the Town unless such material has been placed at the curb for pick-up in accordance with County of Wellington policies.
- 20. (a) The Owner agrees that at his sole expense, all parking areas provided on the "subject lands" shall be maintained clear of snow reasonably in all circumstances so as not to prohibit or block or in any way restrict access along any driveway, walkway for vehicular and pedestrian traffic or reduce the number of usable parking spaces below the minimum number of spaces required by the Town's zoning by-law.

- (b) The Owner agrees not to store snow on the "subject lands" or municipal road allowances such that it blocks visibility adjacent to a street or drainage facilities or where adequate drainage facilities are not provided or where melt-water would adversely affect an abutting property.
- 21. The Owner agrees to maintain at his sole expense and in good repair to standards acceptable to the Town all landscaped open space, private driveways and complementary facilities, and private approach sidewalks which are located on untravelled portions of Town owned road allowances abutting the "subject lands".

PART C - OTHER PROVISIONS

- 22. Definitions for terms which may be used in this Agreement shall be as follows:
 - (1) "Building Area" shall mean the only area upon which the erection and use of buildings and structures shall be permitted, but may include areas of Landscaped Open Space.
 - (2) "Landscaped Open Space" shall mean the areas of open space comprised of lawn and ornamental shrubs, flowers and trees and may include space occupied by paths, walks, courts, patios, but shall not include parking areas, traffic aisles, driveways and ramps.
 - (3) "Parking Area" shall mean the areas of open space other than a street to be used for the parking of motor vehicles and access ramps and driveways to areas used for the parking of motor vehicles which shall be clear of buildings and structures except those accessory to the operation of the parking area, and which shall be available and maintained for the parking of motor vehicles including manoeuvring aisles and other space necessarily incidental to the parking of vehicles, and may include areas of Landscaped Open Space.
 - (4) "Natural Open Space" shall mean the areas of open space which are to remain in a natural state with a minimum amount of maintenance, but shall not include areas of outside storage, parking areas, traffic aisles, driveways or ramps, or Building Area. Natural Open Space areas shall be kept clear of all weeds and natural growth which is prohibited by Town by-laws. Areas of Natural Open Space may include areas of Landscaped Open Space.
- 23. (a) During development of the "subject lands", the Owner shall:
 - i) abide by those provisions of Schedule "C" to this Agreement relating to erosion and sediment control; and
 - ii) install and maintain at his/her sole expense all necessary erosion control works and structures (ie. sediment traps, silt fence, check dams, etc.) required by the Town from time to time to minimize erosion on and off the subject lands.

(b) Should the Owner be in default of any requirement under Clause 23 (a) of this Agreement, the provisions of Clause 14 (b) shall apply, except that in an emergency situation where the potential of damage to any lands is deemed by the Public Works Director to be imminent, the thirty (30) day notice shall not be required, and the Town shall have the right of entry immediately after providing the Owner with notice.
- 24. The Owner agrees to obtain all required approvals from the appropriate road authority where the lands described by Schedule "A" to this agreement are located on or require access to any road not under the jurisdiction of the Town, and that the Town will not release this agreement, or any security required thereto, where approvals from the

responsible road authority have not been obtained by the Owner.

- 25. In the event of transfer of ownership of the subject lands, the Town will not return any Letter of Credit or security required under this agreement until such time as the new Owner files with the Town a replacement security in a form satisfactory to the Town. Pending the provision of a replacement security the Town may use the security filed pursuant to this agreement for any purpose set out herein.
- 26. The Owner covenants and agrees that a General Comprehensive Liability Insurance Policy in the amount of not less than Five Million Dollars is in place and that the Town is indemnified under the said policy for any loss arising from claims or damages, injuries or otherwise in connection with work done by or on behalf of the Owner. The Town shall be named as an additional insured within the said insurance policy. The Owner shall maintain such overage throughout the course of the development and shall supply a certificate of insurance as proof of coverage upon demand of the Town.
- 27. Failure of the Town at any time to require performance by the Owner of any obligation under the Agreement shall in no way affect the Town's rights thereafter to enforce such obligation, nor shall the waiver by the Town of the performance of any obligation be taken or held to be a waiver of performance of the same, or any other obligation under the Agreement, and the Town shall specifically retain its right at law to enforce the Agreement.

IN WITNESS WHEREOF the parties have duly executed this agreement.

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being on George Street in Harriston in the Town of Minto, County of Wellington, Province of Ontario, and composed of:

Part of Park Lots 5, 6, 12 and Part of Park Lot 4 and 5 Northeast of George Street more particularly described as Part 6 Plan 61R-21207, and Part 2 and Part 4 Plan 61R-21306

SCHEDULE "B"

APPROVED SITE PLAN

The "approved site plan" shall be the following plans referred to thereon as the "approved site plan" as indicated by the signature of the C.A.O Clerk for the Town of Minto, and on file in the Town office:

- 1) Site Servicing and Grading Prepared for Quality Engineered Homes Ltd. Development; Project No: A3171A, Prepared by Triton Engineering Services Limited Consulting Engineers issued for Town approval April 2018.
- 2) Front Elevation, George Street Harriston Project No: W-2169, John G. Williams Limited Architect
- 3) Ground Floor Plan, George Street Harriston Project No: W-2169, John G. Williams Limited Architect
- 4) Loft Floor Plan, George Street Harriston Project No: W-2169, John G. Williams Limited Architect

SCHEDULE "C"

SITE DEVELOPMENT REQUIREMENTS

1. Completion Date

The Owner agrees that the completion date for all work, including landscaping, required pursuant to this Agreement shall be May 3, 2021.

2. Security

Pursuant to clause 13 (a) of Part B of this Agreement, the Town has security in the amount of \$20,000 (amount) to this Agreement.

The security includes \$5,000 submitted at the time of site plan approval for legal and engineering costs related to processing this development, and \$10,800 required by Section 22a) to a site servicing agreement dated July 1, 2013 applicable to the subjects lands which the Owners hereby assigns to the Town (less any amounts previously deducted by the Town), and the balance of \$4,200 to be provided in monthly payments prior to May 3, 2019. These amounts totalling \$20,000 shall be retained by the Town as security to this agreement and shall be refunded upon substantial completion of the project to the satisfaction of the Town acting reasonably.

Where works required by this Agreement have not been completed, and where the Owner has not provided to the Town other security acceptable to the Town, the Town may use such security to secure completion of the said works, and the Town shall maintain such security until completion of the works in accordance with the terms of this Agreement.

3. Erosion and Sediment Control

a) If required by the Town, the Owner shall prepare and submit an Erosion Control Plan acceptable to the Town to be adhered to during development of the "subject lands", which plan shall include an acceptable maintenance schedule and starting and completion dates.

b) To minimize erosion problems, the Owner shall schedule construction such that:

- i) all activities on the site be conducted in a logical sequence to minimize the area of bare soil exposed at one time;
- ii) soil stockpiles be located away from watercourses and stabilized against erosion as soon as possible; soil stockpiles remaining longer than 30 days should be stabilized by mulching, vegetative cover, tarps or other means, whereas soil stockpiles intended to remain for less than 30 days can be controlled by filter fence barriers around the pile or acceptable equivalent;
- iii) construction vehicles leave the site at a designated point(s) provided with a rock or gravel mat to minimize the amount of mud tracking off-site; a temporary vehicle wash down facility may be required for truck wheels;
- iv) where work is suspended, temporary drainage and erosion control works should be undertaken to minimize erosion, to include steel plates placed over catch basins, sediment traps and silt fences, and sediment storage areas, to ensure sediment and debris do not enter the municipal sewer system or nearby creek or flood adjacent properties;
- v) all temporary and permanent detention works and facilities be constructed prior to installation of any services on the site or commencement of earth moving operations;
- vi) all disturbed areas be properly stabilized as soon as possible, and if areas are to remain disturbed through the winter, such areas shall be seeded and mulched or sodded as determined by the Public Works Director.

c) During the construction period, the Owner shall employ the following "good housekeeping" practices regardless of the soil erodibility and any other erosion and sediment control measures undertaken:

- i) All catchbasins should be provided with sumps which should be inspected and cleaned frequently;
- ii) At the downstream end of the "subject lands", the last manhole on the storm sewer should have a sump which will retain any large debris, which can be cleaned out and filled in with concrete at the end of the project;
- iii) Small weirs should be built into the pipes at manholes on the "subject lands" that are near the outlet for the site drainage, to provide impounding within the minor system and encourage settlement of the sediment being transported; care should be taken when removing the weirs that the sediment is not washed into the Town's system;
- iv) Once the catchbasins have been installed and connected to the minor system, the basins in rear yards, ditches and low activity areas, should be buffered using straw bales on the upstream side (for street catchbasins and high activity areas, the straw bales will not provide adequate protection);
- v) All concentrated or channelized discharges of water off-site must be treated by appropriate erosion and siltation control measures when such water passes through disturbed areas;
- vi) A site supervisor must be designated by the Owner to ensure the approved Erosion Control Plan measures (when such plan is required by the Town) are implemented in a timely and effective manner, who shall conduct inspections of the subject lands on a regular basis and after significant storm events to ensure the components of the Erosion Control Plan are functioning properly, and who shall maintain a work log to record dates and a description of the work activities and site inspections.

4. Completion of Adjoining Town Lands

The Owner agrees to appropriately and properly finish to the requirements and satisfaction of the Town and Maitland Valley Conservation Authority the adjacent stormwater management pond and park with finished grade, topsoil and seed, emergency accesses and all lands lying between the "subject lands" and any and all abutting streets, excluding those works which are detailed in Schedule "D" which are works to be undertaken by the Town, which, without limiting the generality of the foregoing shall include the following works to be completed by the Owner in accordance with the "approved site plan":

- i) landscaping of lands lying between the street line and property line not to be used for vehicular or pedestrian entrances with topsoil and sod/seed;
- ii) installation of driveways of proper width and grade from the street line to the property line with asphalt, concrete or other hard surfacing acceptable to the Town;
- iii) removal of existing driveways which are not to be used with replacement by appropriate landscaping as detailed above.

5. Grading and Drainage

The Owner agrees to prepare a grading and a drainage plan acceptable to the Town and all surface and roof drainage shall be controlled in accordance with approved plans in a manner satisfactory to the Town.

6. Lighting

The Owner agrees that energy efficient lighting of the land shall be installed in such a manner so as to deflect the light away from adjacent streets and properties or so controlled in intensity so as to prevent glare on adjacent streets and properties.

7. Directional Signage

The Owner, upon request by the Town, shall prepare and submit for approval to the Town's Public Works Department and Fire Chief a signage plan, and the Owner agrees to install all signage pursuant to the approved signage plan.

8. Temporary Fencing

- (a) The Owner shall install temporary construction fencing on the "subject lands" in accordance with sound construction practice and in accordance with the requirements of the Public Works Department or the Town's Chief Building Official, acting reasonably, from the time of commencement of construction to the time of completion of the construction, to secure the site and to provide protection to the general public.
- (b) The Owner agrees to install temporary fencing or otherwise adequately protect all trees, shrubs and other vegetation which are to be retained, and such fencing shall be located no closer to any trees than the drip line of such trees, and the Owner agrees to abide by the requirements of the Town's Public Works Department in this regard, acting reasonably.

9. Fire Routes

- (a) The Owner agrees that any internal driveways which are necessary for and designated as a fire route shall be designed so as to carry the weight of the Town's Fire Fighting equipment, including the hammerhead turnaround on the adjacent Town property
- (b) The Owner agrees to construct and maintain the "hammerhead turnaround" on the adjacent Town owned property to the standard described in the "approved site plan", including installing a "P" gate or alternate gate to prevent use of the unauthorized use for parking, storage, or private amenity space, and without limiting the generality of the foregoing maintenance will include snow clearing to ensure "hammerhead turnaround" can be used for emergency vehicle turnaround.

10. Landscaping

- (a) The Owner agrees to provide all landscaping, including any fencing, curbing, sidewalks, plantings (trees and shrubs), ground cover, and the like, as shown on the "approved site plan" or a landscape plan to be approved by the Public Works Department to the specifications and requirements as indicated thereon in accordance with the Town's Tree Planting Policy and to the satisfaction of the Town's Chief Building Official, acting reasonably.
- (b) The Owner agrees to construct the "hammerhead turnaround" on the adjacent Town park and storm water management pond as well as final grade, topsoil and seed/so the said Town park and pond in accordance with the approved design prepared by Triton Engineering Services Ltd. and the Ministry of Environment where applicable.
- (c) The Owner agrees the landscaping plan required under section (a) above will include design of possible improvements to the adjacent Town owned pond and park which the Town may use to obtain public input into the completion of the adjacent pond and park.

11. Building Accessibility

Where applicable the Owner agrees that the site and building shall be designed so as to provide unobstructed access for wheelchairs to at least one main building entrance from the public sidewalk/street and one parking area by use of sidewalk ramps of proper gradient and surfacing.

12. Private Street and Parking Finishing

- (a) The Owner acknowledges the internal roadway servicing the townhouses located on the subject lands shall be surfaced with asphalt or cement to an appropriate standard to support the residential use including all servicing and emergency vehicles and such internal roadway is a private road not maintained by the Town, and as well as all driveways from the front wall of the buildings to the internal roadway shall be surfaced with asphalt or cement.

- (b) The Owner shall prohibit parking or stopping on the internal private roadway, ensure all residents on the street are aware that parking on the "hammerhead turnaround" is not permitted and shall erect sufficient signage as may be required by the Town to prevent and enforce prohibited parking.
13. Servicing
- (a) The Owner agrees that all water, sanitary sewer and storm sewer shown on the approved site plan shall be installed and maintained by the Owner at an appropriate standard to support the residential use, and further agrees to permit the Town to access the subject lands in the event such access is required with regard to the Town's operation of its own water or sanitary sewer systems to which the Owner's private services may be connected.
 - (b) The Owner shall install and maintain all fire hydrants on the "subject lands" including ensuring such facilities are free and clear of snow and not obstructed by improperly parked vehicles.
 - (c) The Owner acknowledges and agrees that it is the responsibility of the Owner to confirm that the proposed servicing design, and location of proposed structures, will not be in conflict with other utilities located in the right-of-way or on the Owner's internal roadway, and to comply with any requirements of the Ministry of Environment and Climate Change respecting installation of any such services and particularly the storm water management pond on adjacent Town lands.
14. Right of Way, easements or other lands
- The Owner agrees to convey in fee simple and free from encumbrances any rights of way, easements or similar which may be required by the Town for the purpose of the development of the "subject lands".
15. Solid Waste and Recycling
- The Owner agrees to comply with the County's requirements respecting the disposal of solid waste and the recovery of recyclable materials, and to provide all required facilities indicated on the "approved site plan" to accommodate proper retention, disposal and recycling including appropriate screening of waste bins and separation from sensitive land uses as may be required to comply with applicable municipal regulations. The Town acknowledges that provided County approval is obtained the Owner may be permitted to have its own contractor collect waste from individual residences and place waste and recyclables at the entrance from the subject lands to George Street in a neat and organized way for pick-up by the County on the applicable date, except however prior to pick-up all waste and recycling shall be stored within the townhouse units constructed on the subject lands.
16. Private Services
- The Owner shall obtain all approvals for and make all necessary arrangements for any and all private services such as telephone, telecommunications, cable television, electricity, gas and other such service and shall provide any easements required by private service companies necessary to supply said private services, and the Owner further acknowledges that the Town shall bear no expense, cost or obligation with regard to the installation, relocation or re-design of said private services that may be necessary to comply with the requirements of the "approved site plan".
17. Minutes of Settlement
- The Owner acknowledges the Town has signed Minutes of Settlement dated December 6, 2016 which amended the original provisions of Zoning By-law Amendment 2016-48 respecting, among other matters, a one storey height limitation, maximum 23 units on the lands, and compliance with applicable provisions of the Minto Zoning By-law to ensure appropriate parking, amenity space, garbage facilities and other suitable matters, and the Owner agrees to comply with the terms of the Minutes of Settlement.

18. Record Drawings
Prior to the return of any securities held against this project, the Town may require the original engineering drawings to be revised to illustrate the recorded changes and variances from the approved construction drawings.
19. Engineering and Other Approvals
That the Owner obtain all permits and approvals from applicable agencies needed to allow development of the subject lands, to comply with all terms of such permits and approvals and provide proof of same upon request of the Town, including but not limited to approval from the County of Wellington for plan of condominium and executing a condominium agreement with the Town pertaining to ownership of the units within the proposed development.
20. Building Permits
The Owner agrees that prior to the issuance of any Building Permit for the proposed development the Owner shall obtain all other approvals from all applicable agencies as may be required by the Chief Building Official, including arrangements for paying applicable residential development charges less a reduction previously approved by the Town which accounted for floor space of the former school being removed which decreased net servicing demand.

SCHEDULE "D"

WORKS TO BE UNDERTAKEN BY THE TOWN

1. Pursuant to Paragraph 13 (b) of Part B of this Agreement, the Town's Public Works Department and/or the C.A.O. Clerk , at their sole discretion, shall determine the works to be done on Town owned lands which are necessary as a result of the development of the "subject lands", such works to be done by the Town or their contractors at such time as the Town determines at its sole discretion, final costs of which are to be paid by the Owner in accordance with Town policies, and without limiting the generality of the foregoing, may include the following:
 - i) installation of sewer and water service laterals if necessary.
 - ii) curb cuts and curb replacements if necessary.
 - iii) sidewalk replacements if necessary.
 - iv) utility plant relocations if necessary.
 - v) installation of the storm sewer if necessary.
