

## TOWN OF MINTO

DATE: May 17, 2018

REPORT TO: Mayor and Council

FROM: Mike McIsaac, Road Foreman

SUBJECT: Tender PW2018-06 Sidewalk Replacement

### STRATEGIC PLAN

Adopt and maintain fair and transparent procurement policies and by-laws to ensure the Town receives competitive pricing on tenders and proposals, and that business has equal opportunity to submit bids.

### BACKGROUND

The Tender to Remove, Dispose, Replace Sidewalk closed May 16 for the following work:

#### PALMERSTON

- |   |            |  |
|---|------------|--|
| A | Albert St  | Victoria St to King St, West side 90m      |
| B | York St    | Derby St to Raglan St, East side 105m      |
| C | Toronto St | King St to Miller Crescent, West side 220m |

## HARRISTON

A Robertson St S Young St W, East side 140m

One submission was received as follows:

Company	Unit Price Per Square Meter	Extended Based on 832.5 m2
Reeves Construction	\$89.90	\$74,841.75 (plus hst)

### COMMENTS

Reeves Construction Limited has completed many construction projects of various capacities over the past few decades including sidewalk installation and replacements for the Town and completed this work last season. This tender has left the Town in a position to be able complete more deficiencies within the three communities which will be determined during the annual sidewalk inspection currently being conducted.

### FINANCIAL CONSIDERATIONS

The 2018 operating budget has \$66,000 for sidewalk maintenance; plus \$60,000 is in the capital budget. The bid recommended is within budget.

## RECOMMENDATION

THAT Council receives the report from the Roads Foreman dated May 17, 2018, regarding Tender #2018-06 for Remove, Dispose, Replace Sidewalk and approves the awarding to Reeves Construction Limited.at the price of \$89.90 per meter squared plus HST.
